	Trensiste - 1. Introduction March and April 2020 were extremely troublesome for the tourist industry because of COVID-19 [1]. Specifically, as of 18 May 2020, 100% of destinations worldwide continued to have some sort of travel restrictions, 76% of them had completely closed them border, and foreign visitors had to be put in guarantine [2]. For some time, it	Clinical course and challenging management of early CDVID-19 infection after heart transplantation: case report of two patients Tchana-Sato, Vincent, Ancion, Annaud; Tridett Julier: Sakalitasan, Narzi, Hayette, Marte Pierre; et al.
	was only possible to travel for business, or for purposes essential to life [3]. A well-known Polish writer, Standislew Lern, stated, "is it possible—we will ask—to create antificial reality, dowinight similar to natural, but impossible to distinguish from it? The first is use is the creation of works, the second one—illusions. But perfect illusions. I don't know, however, if they can be called just illusions. Please, be the judge".
